MINNESOTA FILM & TV

Now is the time to film in Minnesota.

Our State is home to diverse locations, excellent incentives, experienced crew and reliable production services, all supported by a solid Midwest work ethic.

With a newly expanded tax credit incentive, Minnesota is competitive, affordable, and a great place to live and work.

MN Film & TV is here to help you with everything Minnesota has to offer. We invite you to learn more, contact us with questions, and come visit!

INCENTIVES

Minnesota offers a 25% transferable tax credit.

- Qualified minimum spend of \$1 million.
- Annual cap is \$25 million, but there is no per-project cap.
- Unused annual credits roll forward into the next year.
- A portion of both above and below the line non-resident compensation qualifies.
- As the home of major corporations like Target, US Bank, General Mills, 3M, and many more, Minnesota has a market for state tax credits, should you choose to transfer.
- Plus, we have regional rebates that can be stacked on top of the tax credit.

EXPERIENCED CREW AND TALENT

Minnesota crew are seasoned union (*IATSE, Teamsters, DGA*) and non-union professionals who work in film, television and commercials. From feature films and independent projects to national DIY and documentary unscripted series, our crews and production professionals have the experience to support any production.

The Twin Cities also has one of the largest talent pools in the country, home to more than 1,000 professional actors (*SAG-AFTRA, AEA*).

STUNNING, SURPRISING LOCATIONS

Minnesota is the chameleon of locations, offering big city and industrial areas, turn-of-the-century architecture, picturesque farmland, quaint small towns and lots and lots of water, including the Lake Superior shoreline. And, it's all accessible within a reasonable driving distance from MSP International Airport.
